

AT THE HEART OF COLORFUL CURAÇAO

Journey to a vibrant destination unlike any other in the Caribbean, where historic landmark meets newly reimagined modern retreat at the Renaissance Wind Creek Curaçao Resort. Nestled amidst the vivid colors of Willemstad's Dutch architecture, our redesigned resort welcomes guests to a world of thrilling local discoveries. Pursue any number of passions or celebrate spectacularly in Curaçao's most stylish address.

OUR BEAUTIFUL & EXCITING LOCATION

There's no shortage of unique experiences in and around the resort. Countless cafés, bars, and local restaurants offer cuisine and drinks for every taste. Our casino is the perfect place for late-night fun or if you want to add a little excitement to your trip. And if you're looking to indulge in retail therapy, look no further than our Renaissance Mall and Rif Fort.

In the heart of Curaçao's historic capital, there's a whole world to uncover. A walking tour of Willemstad will reveal its hidden gems. You can also set out on memorable day trips. Just a few miles away, you can spend an afternoon lounging at Mambo Beach, discover natural splendor in Christoffel National Park, peer into the underwater world at Curaçao Sea Aquarium, and golf enthusiasts can shoot a round at the one-of-a-kind seaside Blue Bay Golf Course.

Families will relish a day swimming with the dolphins at the Dolphin Academy or visiting the Curaçao Ostrich Farm. For the adventurer at heart, a Jeep[®] Safari along the west side of the island or a sailing trip are thrills of a lifetime. Or contact our on-premises dive shop to take the plunge with watersports and diving.

HISTORIC RIF FORT

Once housing 56 cannons inside its 1.5-meter-thick walls, Rif Fort was initially constructed in the 19th century to protect the island from invasion by pirates and enemies. Today, the fort has been redeveloped, with the resort breathing new life into this timeless attraction. In contrast with its glorious past, the Rif Fort offers a warm welcome to visitors and is now designated as a UNESCO World Heritage Site.

Where cannon fire was once heard, music now plays. Where soldiers once slept, groups of tourists dine and celebrate. Filled with outdoor music and vibrant cafés, the fort adds to the energetic atmosphere of the resort. Upscale shopping provides much needed retail therapy, and outdoor bars and cafés keep the excitement going well into the night.

SLEEK & NEWLY REDESIGNED ACCOMMODATIONS

Step inside and discover the new look of our 237 guest rooms and suites. We've infused locally inspired design elements, a sophisticated palette with subtle pops of color, and hidden surprises around every corner.

The new dynamic look of our accommodations creates a welcoming retreat to return to time and again. Creative lighting, designated work zones, and whirlpool baths (in select rooms) elevate the experience. Peer out at endless Caribbean Sea views from rooms with spacious balconies for a taste of the adventures to come.

WINING & DINING FOR ALL TASTES

Dining options abound at the newly reimagined resort and beyond. Our location in the heart of downtown Willemstad puts guests just moments from numerous delicious options.

Try traditional Caribbean delicacies at our indoor/outdoor Nautilus Restaurant or light fare and refreshing drinks at our poolside Infinity Beach Bar. Just steps from Nautilus is 5 O'Clock Somewhere, featuring regional fare, signature margaritas, and relaxed island vibes. Enjoy a quick jolt from the freshly brewed coffee at our on-site Starbucks® or a hand-crafted cocktail at the BLUE Lobby Bar. You'll savor the freshest cuisine made to perfection at our celebrated resort.

THE STUNNING INFINITY BEACH CLUB

Discover our private, elevated saltwater beach just steps from historic Rif Fort. Settle into a waterfront cabana for a massage, grab a refreshing drink from the Infinity Beach Bar, or simply relax on powder-soft sand while taking in sweeping Caribbean Sea views. And the adjacent infinity pool is perfect for leisurely swims.

As evening approaches, take your trip to the next level with a fine dining experience unlike any other. Savor chef-prepared delights at an intimate table for two on the beach under a star-filled sky.

WORLD-CLASS SHOPPING

We welcome guests to explore the open-air Renaissance Mall and Rif Fort shopping boulevard. Indulge in an array of shopping and entertainment choices within a world-class setting—it's the perfect place to satisfy shoppers of all kinds. Casual browsers and those on a spree will find fashions, accessories, fragrances, jewelry, and unique souvenirs while enjoying tropical island weather.

The Punda and Otrobanda districts in downtown Willemstad also boast bustling shopping areas, restaurants, bars, museums, street arts, entertainment, and exciting events.

THRILLING NIGHTLIFE

When the sun sets, the night comes alive at our resort and casino. The sleek, modern spaces blur the line between indoor and outdoor, and tailored, immersive environments are just waiting to be discovered. An evening here is both relaxed and exciting.

Lounges and bars provide elegant settings while mixologists stir up the freshest flavors, and music sets the scene for vibrant Caribbean nightlife.

WIND CREEK CARNIVAL CASINO CURAÇAO

The newly redesigned Wind Creek Carnival Casino Curaçao, the most visited casino on the island, boasts 250+ gaming machines and 12 challenging tables set within the vibrant ambiance of Carnival. And to make things even more fun in our 15,000-square-foot adult playground, guests can now take advantage of the renewed rewards program or play online at windcreekcasino.com.

HOSTING YOUR MEETINGS & EVENTS

If mixing business with pleasure, we have 8,600 square feet of redesigned meeting and event space to connect and collaborate.

The 2,700 square-foot Ballroom evokes Curaçao's inherent beauty, featuring tropical colors and thoughtful, modern details. And for the largest groups, our 3,600 square-foot Atrium is ready to wow your attendees.

You can also host an event your guests won't soon forget at the Infinity Beach Club, with golden sand and breathtaking views of the Caribbean Sea. And the Ocean Front Park is a spacious green grass location with spectacular views. Legendary Rif Fort also has plenty of room to gather, offering a panoramic view of history as well as the Caribbean.
