EXOTIC, YET EXQUISITE

The island of Curaçao is known for its rich culture and colorful history. From the influence of Dutch architecture to the pulsating rhythm of island life, every part of our past is reflected in the present. Located in the historic capital city of Willemstad, the Renaissance Wind Creek Curaçao Resort offers 237 modern rooms and suites that are sure to delight. Our on-site restaurants and sleek lounges, as well as the bustling bars just next door at historic Rif Fort, are guaranteed to please any appetite. And when it's time to kick back and relax, guests can take advantage of our magnificent Infinity Beach Club. This second-story oasis provides an elevated saltwater beach experience next to our freshwater infinity pool. Give in

to your cravings and enjoy a tropical cocktail or even an afternoon appetizer from the Beach Bar.

If you're looking for more excitement, then you're in luck. For those with an incurable shopping bug, boutiques and luxurious international brands can be found at the open-air Renaissance Mall & Rif Fort. And after the sun goes down, try your luck at the challenging table games and the newest slots at our thrilling Wind Creek Carnival Casino.

Our meeting and event spaces are reflections of Curaçao's singular character and are truly unique settings to host a gathering. Indoor and outdoor facilities total 8,600 square feet, including a 3,600 square-foot atrium and a 2,700 square-foot ballroom, which can be divided into three separate sections for smaller events. It's as colorful

as the surrounding architecture and the chandeliers, handcrafted from seashells, will stop anyone in their tracks. For an à la carte meeting experience, host your event outdoors at our spellbinding Infinity Beach Club. There's nothing else like it in the Caribbean, with white, powder-soft sand and enthralling views of the surrounding sea. You may also choose to add a little history to the proceedings. Spectacular Rif Fort, a legendary historic monument that has been designated a UNESCO World Heritage Site, is available to book as well.

What better place to host your event than at the heart of history and culture in colorful Curaçao? Whichever venue you choose, the gathering—and the excitement that follows—are sure to dazzle.
